

TECHNOLOGY IN THE NEW SCHOOL

There are multiple new forms of technology in our new high school. Some of the new technology includes new Promethean boards, computer labs, and science labs. After speaking with some of the teachers, The Bark learned more about how they like it and how much more useful it is. “I love my computer lab, and I love how clean and spacious it is.” -Mr. Nash.

Summer Highlights

"I went to Maryland to play lacrosse and I ended up seeing Micha Osland, a close friend from Boiling Springs. I also was a leader at Kid Fuge, which is a church camp held at my church."

- **Eli Byrd**

"I went to California with my family for my cousin's graduation. We visited Hollywood and the Walk of Fame. My favorite part was shopping on Rodeo Drive."

- **Gracie Greene**

" I went to Upstate New York for my cousins wedding. We spent time with family and friends. I also went to Kiawah Island and learned how to surf. "

- **Caroline Kennedy**

WELCOME BACK

ASSEMBLY

On August 23rd of 2019, the student body experienced the first pep rally of the school year. This rally marked the first event being held in the brand new

Bulldog Gym. The 2019 Welcome Back Assembly consisted of engaging class games and student activities. Also, the new teachers

were introduced into the Bulldog Family and the cheer team performed. At the end of the assembly, the senior class of 2020 took the spirit

stick, by winning the class t-shirt competition and student chant.

TEACHER OF THE MONTH - MRS. ELLIOT

What would you advise to new teachers just starting out?

“My advice for new teachers would be to develop your own style, focus on the kids, and get plenty of rest.”

What do you think makes you different from other teachers?

“I would say by coaching and having kids of my own that play sports that I understand what’s involved in kids’ lives after the normal school day. And I am able to build relationships with kids outside of the class.”

NEVER GOING OUT OF STYLE

Entering the 2019-2020 school year with this season's hottest back to school trends. The newest fashion trends include styles from the 70's, 80's and 90's! Some of the most popular prints are cheetah print, snake skin, and camo, as well as, what designers are calling "a revival of retro prints". Platform sandals and Vans have made a huge comeback from the 70s this season and are continuing to rise in popular demand. Sheilas continue to be a "jewelry-box staple" this school year with brand new shapes and styles. Sheila Fajl says, "In today's world where first impressions are formed in a split second" and the way you decide to dress and carry yourself is what decides that first impression. Gold is one of the most popular colors this season whether it be in jewelry or shoes. This timeless color has been incorporated into the fashion world since the beginning and it continues to be the most popular color trend. Students are jumping on these fashion trends this school year; don't be the last to do so!

MEET THE 10

What is something that surprised you about our new high school?

"I thought it would be harder to get around but everyone is very helpful with that"

- **MC English**

"I like how the gym is more open and a lot more space. I also like how much bigger the school is."

- **Ashton Smith**

"I thought the teachers would be stricter, but they are really nice."

- **Hannah Horton**

"I didn't expect the new school to be so open, and the windows make it look very welcoming."

- **Nick Campbell**

MEET THE 11

" I like how we can control the air conditioner and the heat inside the room. This is a big upgrade from the old school where it was hard to control the air."

- Ralph Hess

How do you like the new classrooms?

"I like how there is more light in the rooms. The windows make the room feel more spacious and open. Also the view that you can look outside and see while in class."

-Payne Clary

"I like the new chairs. It's a lot easier to get in and out of the desk rather than it being connected to the desk"

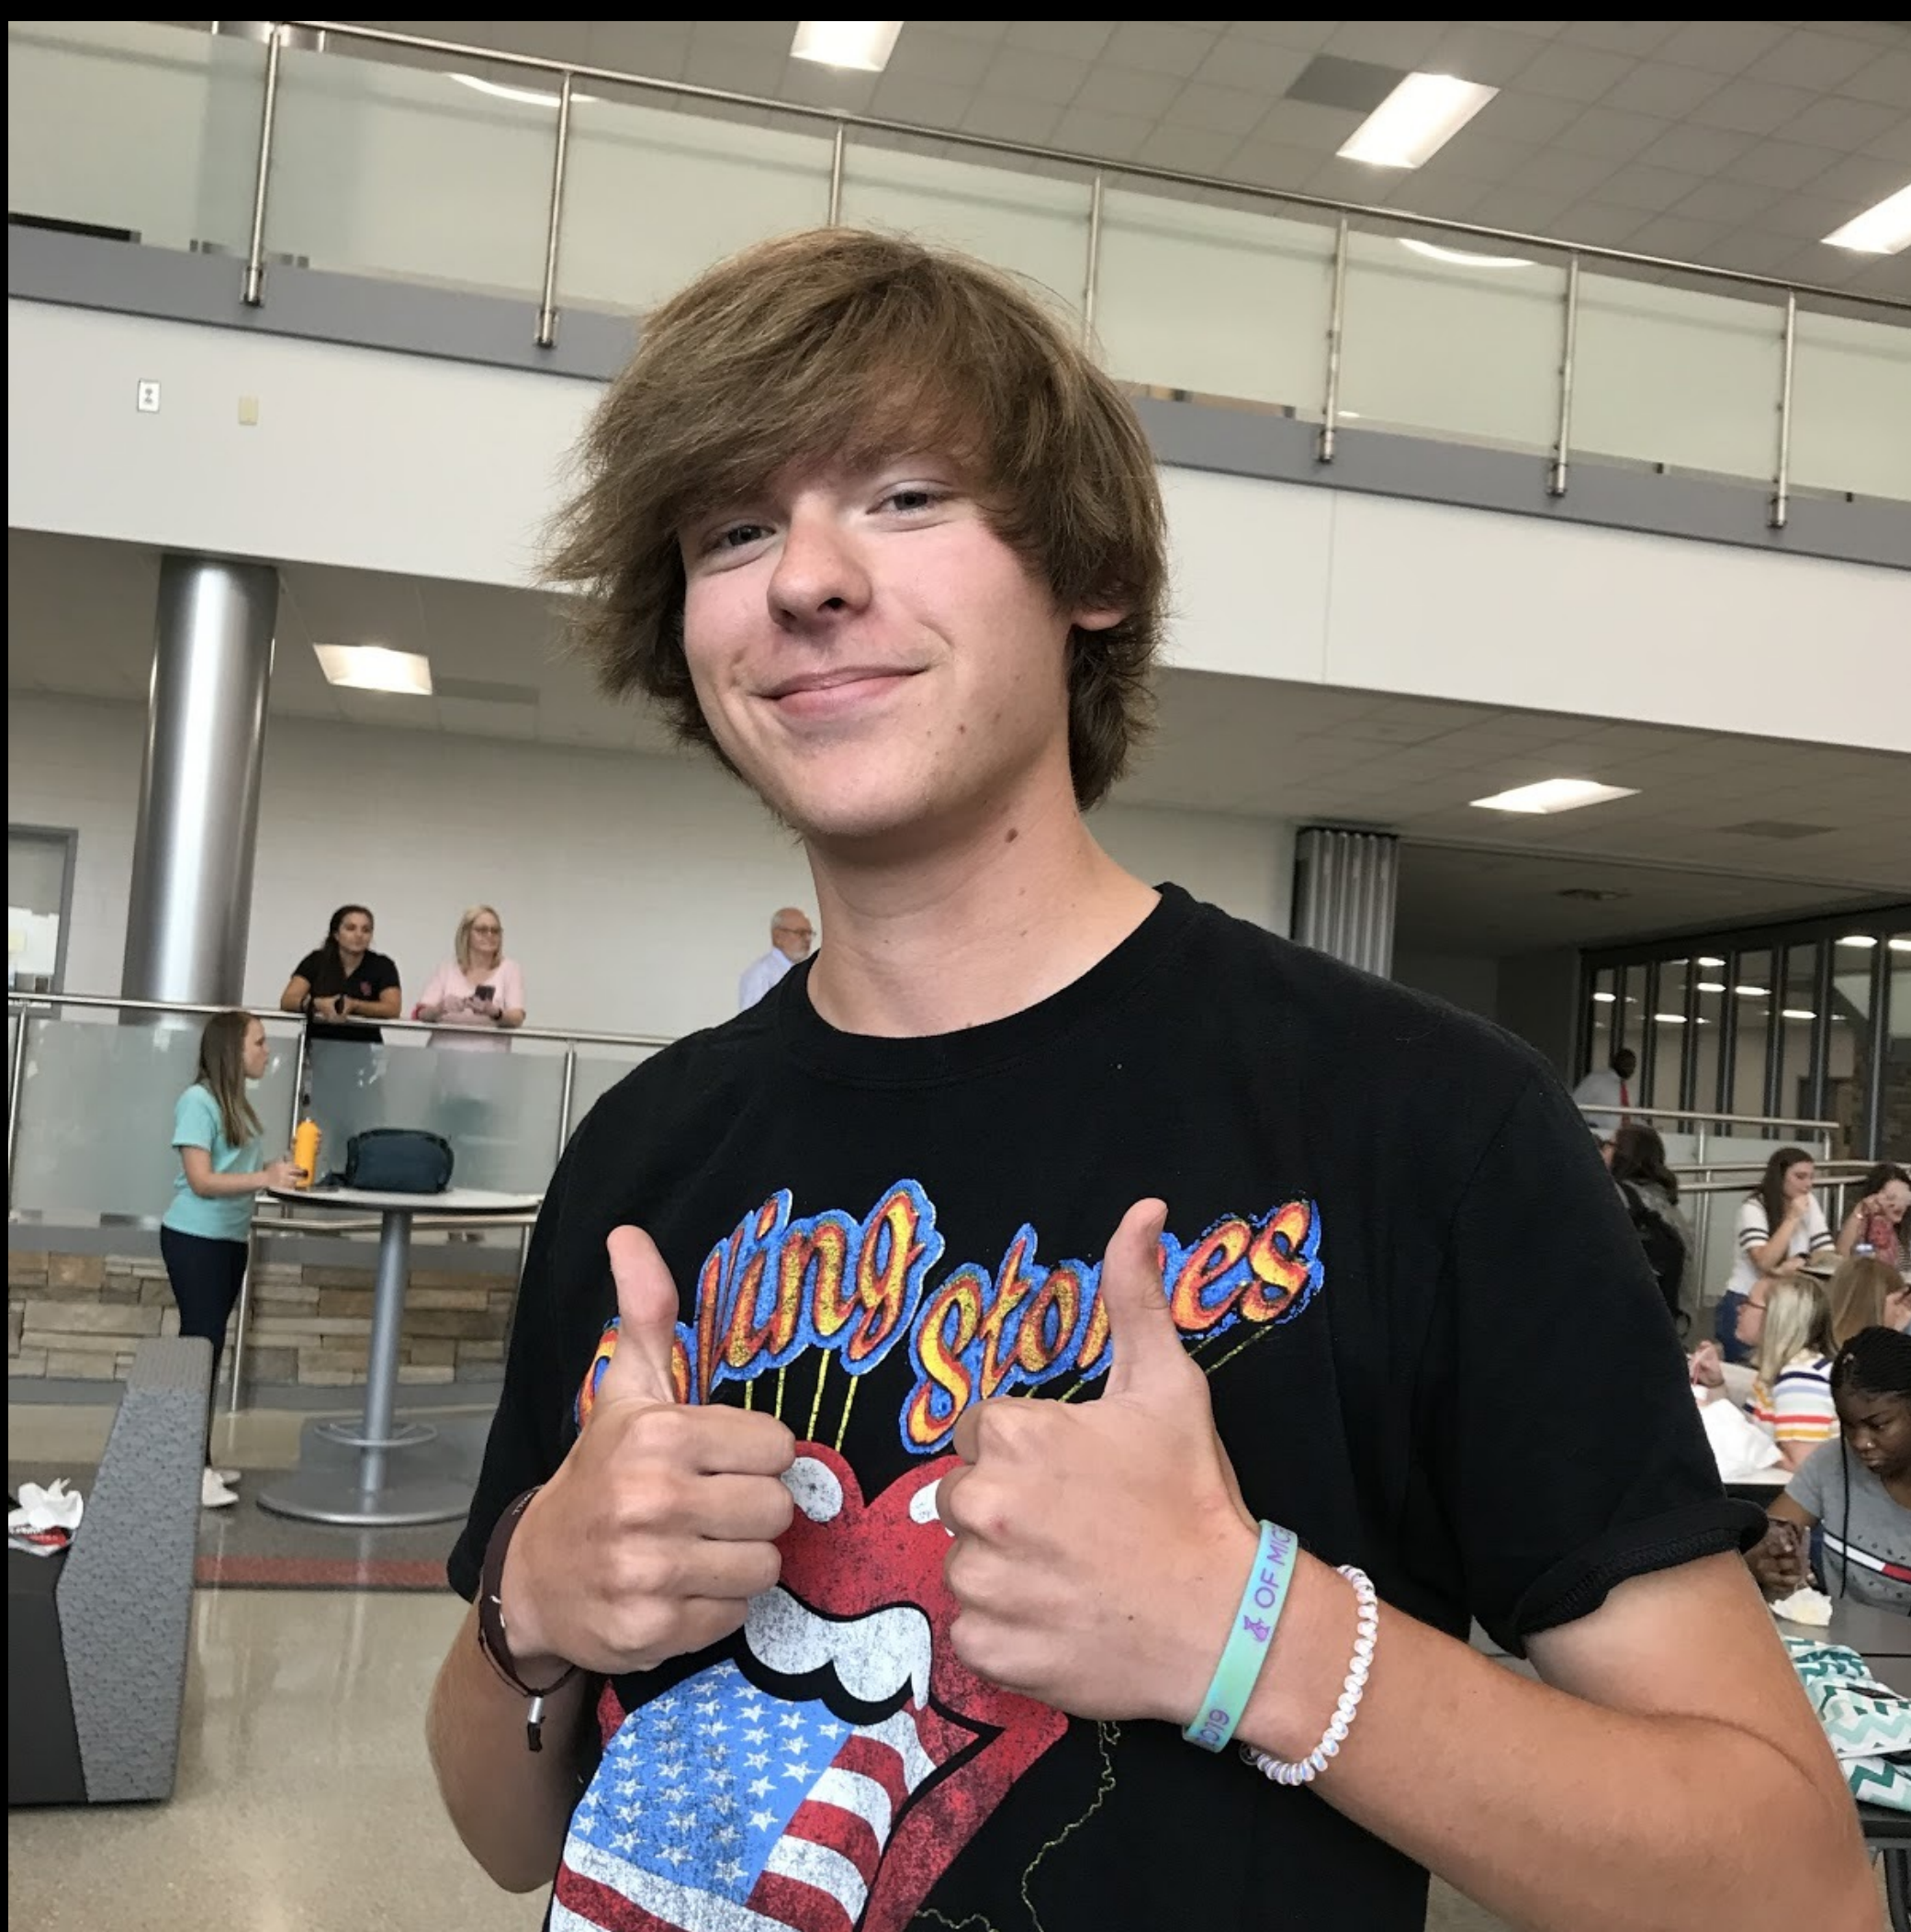

- Jackson
Wideman

MEET THE 12

"The bathrooms because they are cleaner and the sinks are nicer."

- Brittany Sanchez

"The circle lights are very cool but my favorite thing would probably be the amphitheater."

- Zeke Walsh

What is your favorite thing about the new school?

"The classrooms are much cleaner and have new technology. The chairs are more comfy and the desks are bigger."

- Kayla Szynalski
