

Boiling Springs High School

Driver Education

Summer Session

Wednesday, June 6, 2018 - Friday, June 8, 2018
Monday, June 11, 2018 – Tuesday, June 12, 2018

Boiling Springs High School
Chuck Gordon, Principal

Spartanburg School District 2
Dr. Scott Mercer, Superintendent

We are announcing another great summer of Driver Education at Boiling Springs High School. We are held to state requirements and we abide by them in all that we do. Classes will begin on Wednesday June 6, 2018 and end on Tuesday, June 12, 2018. We will hold class for five (5) days and will stay in class for six (6) hours each day. This will meet the state requirement of 30 hours in the classroom.

Each day we will begin at 8:00 am. Lunch will begin between 12:00 pm and 12:30 pm each day. Students should bring their own lunch. We have places to keep food refrigerated. If you choose, we do allow parents to bring food; however, it would be much easier to have it with you. Small coolers have always worked the best. We do give a short break in the morning and afternoon sessions. No time should be missed. If there is, however, it will be made up with an instructor at a rate of \$30.00 per hour/ per student.

On the first day please bring:

- Folder type notebook that has a binder for paper
- Blue/black ink pen or a pencil
- Any personal needs such as corrective lens, medicine, etc.
- Your vacation schedule (We can work around vacations after the 30 hours in the classroom are completed)

Important things to remember:

- Be on time; you many not miss any classes
- It is necessary that you **acquire your permit by Saturday, June 2, 2018**
- Your student must be at least 15 years old by Saturday, June 2, 2018
- You will need to have your permit with you in class after June 2, 2018
- Your student must pass the classroom portion of the class in order to drive
- Your student must challenge and pass the *Alive @ 25* course in order to receive credit for Driver Education at Boiling Springs High School. *Alive @ 25* is a course developed by the National Safety Council. It is designed to prevent the #1 killer of teens; automobile crashes. Available testing dates will be given to students during Summer Driver Education. The cost of this course is included in the summer Driver Education fee.

Driving:

- Driving will be in pairs with each pair driving a total of 6 hours. The driving times will be determined based off of both the students and instructors availability. This meets state requirements for behind the wheel.
- Driving will be rural roads, downtown area, interstate drive and a maneuvers drive. These cover the requirements for the DMV driving test.

Cost:

- The cost is \$275 for students of Spartanburg District 2 and \$300 for out of district students. **The cost includes the \$35 for the Alive @ 25 course.** Children of district personnel may pay the District 2 fee. A deposit of \$100 is due by Friday, April 27, 2018 to hold a spot on the roster. A maximum of thirty (30) students will be enrolled. The remainder of the fee will be due by the close of the school business day on Friday, May 18, 2018. **Make checks payable to Boiling Springs High School Summer Driver Education.** Payments are to be made at the Business Office at Boiling Springs High School. Please complete the following form to bring with you when you pay.
