Boiling Springs High School is thrilled to announce its partnership with NFHS Network! Please access the link below, subscribe to our channel, and select Boiling Springs High School as your school of choice.

By subscribing to the BSHS channel, you will not only gain access to ALL of our stadium and gym events, you will also be able to access every sporting event nationwide that is streamed on the NFHS Network. At Boiling Springs High you will be able to view Football, Volleyball, Wrestling, Basketball, Cheerleading, Lacrosse, Soccer, Track and Field, and every other event we host at Bulldog Stadium and in the Bulldog Gym. A percentage of the subscription cost will return to Bulldog Nation to continue to provide support for Bulldog Athletics.
