

Updated Activities

- Continue to expand the school's Alternative Educational Programs (Virtual Learning, Dual Enrollment, Course Recovery, Flexible Scheduling, and AP Courses) to include more opportunities for students to embrace educational opportunities in a variety of ways with the ultimate goal of increasing our graduation rate and place students in the appropriate career or college pathway.
- Continue the implementation of a school-wide Response-to-Intervention (RtI) plan to ensure that students who need additional help receive appropriate assistance.
- Continue to implement the Spartanburg School District Two EXCEL Technology Program and ensure that our students receive a World Class Education.
- Continue to implement the Standards Initiatives, which are provided by Spartanburg County School District Two District Office, to ensure that all students are receiving a rigorous and relevant curriculum.
- Continue to support the Spartanburg County School District Two building program so that needed facilities are available for students and faculty at Boiling Springs High School.

Updated Needs Assessment

- Continue to establish programs to address test-taking skills, learning strategies and improved formative assessments with the ultimate goal of increasing student achievement.
- Continue to implement programs designed to assist in meeting the educational needs of the increasing numbers of Limited English Proficient (LEP) students who are attending our school and to encouraging success for potential dropout/at-risk students who see no hope in completing their academic careers. Assisting these students also includes placement in challenging Advanced Courses.
- Continue to emphasize college and career readiness activities to prepare our students to meet the demands of an ever-changing work environment.
