From the Athletic Department

As the Fall Sports season comes to a close, the Boiling Springs High School Bulldogs Winter Sports team are gearing up for action! The Sideline Cheer, Boys Basketball, Girls Basketball, and Wrestling teams are hard at work preparing for the 2019-2020 season. The Winter Sports teams have worked hard throughout the Summer and Fall in the weight room and through conditioning drills preparing for a strenuous season in the in the incredibly tough Region II-A-A-A-A-A.

Our Winter Sports athletes are also getting their first experiences in the beautiful facilities that the new Boiling Springs High School has to offer. Our athletes are enjoying preparing for the season in our two beautiful new gyms. Our athletes are also enjoying the amazing new locker rooms for the first time. The Wrestling team is still currently practicing in their old wrestling room while their new wrestling room is still under construction. Once construction is complete, the Wrestling team will call the current weight room home.

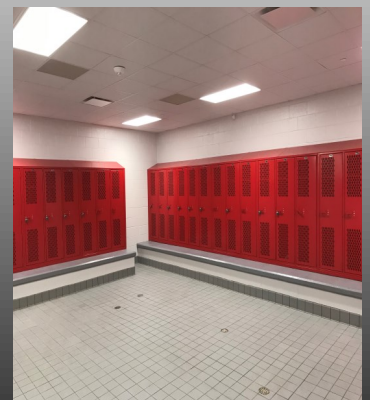

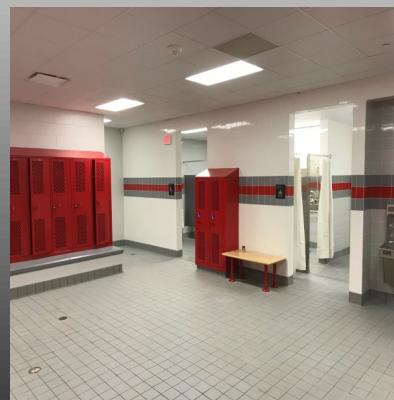

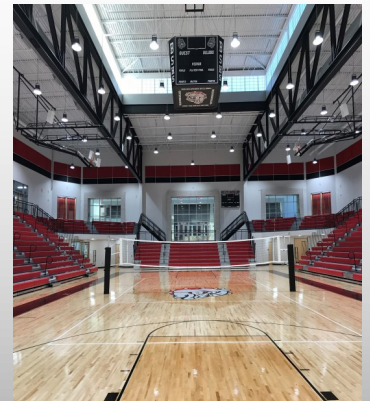

As construction on campus continues, the old auxillary gym will be transformed into a state-of-the-art weight room for all of the athletes at Boiling Springs High School.

Please take a moment to see what each of our Winter head coaches had to say about their 2019-2020 season.

We encourage everyone to come out and support the Bulldogs this Winter.

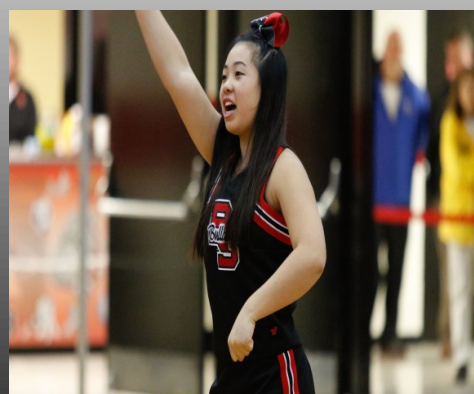

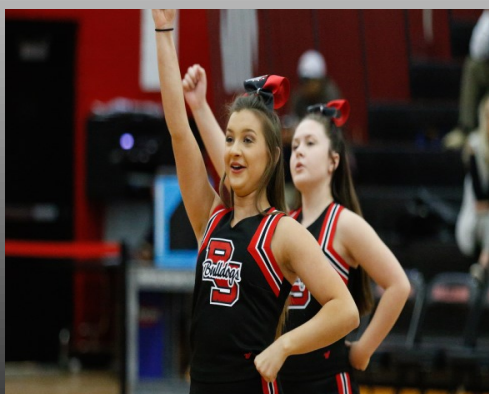

Go Dogs!

Head Coaches of each sport

Cheer

The upcoming 2019-2020 Varsity Basketball Cheer season is going to be filled with lots of excitement and spirit. This year's team will have a lot of new faces due to losing 12 seniors from last year's team. Cheerleading can provide an environment that teaches important life skills such as time management, leadership, loyalty, teamwork, respect and pride. As a coach, those are qualities that I hope to teach and to help develop self-esteem and confidence in our athletes. Those athletes that possess and demonstrate those skills are awarded at the end of the season. Last season the Leadership Award was awarded to Savannah Nodine and Jenna Varner. Emily Bates and Katelin Sellers received the Spirit Award and the Bulldog Award was awarded to Grace Mostiler. All recipients were seniors who were also three year Lettermen and received the Multiple Year Letter Awards. I'm looking forward to a great new season and cheering on the Bulldogs.

Boys Basketball

The Bulldogs are coming off of another 15 win season that included a trip to the 5A State Playoffs. During the course of the season we won both tournaments that we competed in. Our team started the season with a championship at the Easley Invitational and then won the championship at the Bobcat Classic in Bluffton during Christmas break. This was the program's third tournament championship in a row. Graduates Zach Baldinelli and Trayson Fowler were named to the All-Region team last year. Zach was also named to the North/South All-Star team.

I believe that we play in the toughest region in the state. That showed in the playoffs when our region had 3 out of the last 4 teams left in the upper-state. This year will not be any different. Our region will once again prove to be the best in the state from top to bottom.

We graduated seven senior's from last year's team and all five starters. The Bulldogs will return three players with varsity experience. Our team will be definitely be young but I believe that we will find our new identity early on in the season. We will be using a lot of different looks this season and try to make teams play at a pace that they are not comfortable at. Our players have worked extremely hard during the summer and fall. I am looking forward to all their hard work paying off on the court.

We are very proud of our new facilities. I hope that everyone will get a chance to come out and support the Bulldogs and enjoy the atmosphere in our new gym!

Girls Basketball

After graduating Four Seniors from the 2018-2019 team, which were all three-year starters, the 2019-2020 Lady Bulldogs find themselves in a rebuilding year. Over the Summer and Fall workout seasons, the team has put in hard work to uphold the standard created for the program. The Lady Bulldogs were picked to finish 6th in Region II-AAAAA. This pre-season prediction has given the ladies an edge to work harder than normal. The Motto this year is "Defense wins Games". Expect to see the Lady Bulldogs getting after it on defense this season with high energy, pressuring the basketball, and causing turnovers. Returning at the guard position is four-year starter Arissa Edwards, who was a 2018-2019 All-Region Player, and was also selected as a 2019-2020 Pre-Season All-Region Player.

The Team is also fortunate to have three players to transfer to Boiling Springs High School that will add value to the team. Meghan Scharpenberg, a transfer from Michigan, was a 3A All-Region Player averaging 20 points per game. The Lady Bulldogs are focused and excited to begin the season.

Wrestling

After only losing one starter to graduation the Bulldogs return almost the entire starting lineup. Therefore, expectations are high and we hope to compete for the region title once again and regaining the Spartanburg County Championship. Matthew Sanders, a returning All-State wrestler, is expected to lead this team and will begin the season ranked #1 in the 138 pound weight class. While the team will depend a lot on the sophomore class, we are optimistic as to how this season will play out.

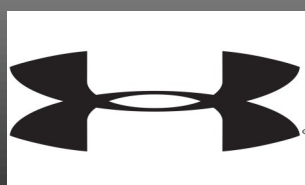

Boys and Girls Basketball

DATE	OPPONENT	SITE	GAME TIMES
Nov. 25-27	Impact Sports Invit. (Boys)	SCA	TBA
Dec. 2	Chesnee	HOME	6:00, 7:30
