7. **2022/2023 Sports Physical Information: The Orthopaedic Doctors at Prisma Health will begin giving Sports physicals for the next school year on April 4 thru the end of June. You may pick up a packet in the front office at the main campus. Bring that completed packet to the Training**

Office to schedule an appointment (these must be made with the training office). The cost of the physical is \$10 and it will be given at the Steadman Hawkins/Prisma Health Spartanburg Office. If you have any questions you may contact Laurie James at Laurie.James@prismahealth.org

8. If you signed up to take AP History next year you will need to attend a meeting on Tuesday, May 24th at 3:30 p.m. with Mr. Simmons in room D220.
9. Beginning on Monday, April 18th, there will only be two entry points for students into each building at the beginning of the day. Students may enter the Freshman Academy through the cafeteria or front entrance. In the new building, bus riders and drivers may enter through the courtyard gate or through the front entrance by the Bulldog statue. We have had entirely too many students crossing the road between the two buildings while we have buses and other traffic entering and exiting campus. This has become a significant safety risk. There will be no access to the new building through the Band Hallway or through the Gym/Auditorium entrance. Students are not to open any side doors to allow others entry to the buildings. As a reminder, students are to enter and remain in the building where their first block class is held.
